Report of the Early Career Network (ECN)

Executive committee meeting – 2018
University Malaysia Sabah, Kota Kinabalu, Sabah

1. The annual ECN workshop was held on 17th August 2017 at Yonsei University, Incheon, South Korea, during the 49th APACPH conference. The workshop was on Introduction on ECN Activities and Research methods.
2. A meeting of ECN members was held on 18th August 2017 during the 49th APACPH conference. An interim committee with members representing APACPH regions was appointed to plan future ECN activities.
3. ECN Photo Exhibition will be held at 50th APACPH Conference 2018 on 12th-14th September 2018 at Megallan Sutera Resort, Kota Kinabalu, Sabah, Malaysia. The purpose of the contest is to foster cultural sensitivity by encouraging participants conducting public, environmental, regional and global health projects to examine the culture, environment and people with whom they are working.
4. The annual ECN workshop will be held on 13th September 2018 at University Malaysia Sabah, Kota Kinabalu, Sabah, during the 50th APACPH conference. The workshop will be on 'How to do an effective Presentation'.

5. A new web page for ECN was designed (<http://ecn.apacph.org/>) and launched successfully. It is now modified with Mentoring Platform, E – library, Online bookshop E Learning System.

6. ECN YouTube channel will be launched during 50th APACPH conference. It would be a novel feature of the website. It will provide access to state-of-the-art teaching material and videos.
