Jakarta, 7 August 2018

Attention to
APACPH Executive Council Members

Dear Sir/Madame;

I, Agustin Kusumayati, MD, MSc., PhD., as the Regional Director of Indonesia, have conducted site visit to the Faculty of Public University of North Sumatera in August 6th 2018. Based on my evaluation the institution has a great potential to contribute to the development of our organization.

Hereby, I strongly recommend us to accept this institution as a member of our organization and be inducted in our nearest coming General Assembly.

Sincerely yours;

Agustin Kusumayati
