

Asia Pacific Academic Consortium for Public Health

Executive Committee Meeting and General Assembly

September 2018

South Asian Regional Office Report

1. The Management committee of APACPH has approved two new member institutions from the South Asian Region, Education, Training and Research (ETR) Unit of the Ministry of Health and Rajarata University of Sri Lanka. ETR unit is the governing body of all public health professional training schools under the ministry of health. The Induction ceremony for both institutions will be held during APACPH General Assembly to be held during the APACPH 2018 Conference, Sabah, Malaysia.
2. The regional Office is in the process of communicating WITH several other potential member institutions from the South Asian Regions.
3. A delegation representing the Ministry of Health, Bangladesh has visited the regional office in July 2018.
4. The MOU between the University of Colombo, Sri Lanka and Taipei Medical University, which was coordinated by the Regional office, was signed during the visit of Prof. H Y Chiou, Vice President (Finance), APACPH and Prof. Betty Chiu in 2018.

Report Prepared by, Prof. Indika Karunathilake – Director, South Asian Regional Office, Faculty of Medicine, University of Colombo, Sri Lanka
