

## **Appendix 11 ECM 1/2023 – Regional Report (South Korea)**

Regional Director Report by Prof Dr So Yoon Kim  
Regional Office: South Korea, Yonsei University

- 1) The APACPH 2024 conference will be organized by the Korea Association of School of Public Health and a parallel session with the Korean Society for Preventive Medicine. The conference will take place at Bexco in Busan (21st - 25th October 2022).
- 2) By using this opportunity, I believe APACPH can gain exposure to the Korean Academic Group for Public Health and Preventive Medicine.
